Credit system e-Balik

Are you a business entity with a valid ID number who has registered in the e-Balik application?

We recommend you to use the credit system, which serves as payment method (wallet) in the e-Balik application environment. The credit can be topped up either online by credit card or bank transfer.

The more parcels you send, the less you pay

If you pay for your transport orders with credit, we will automatically refund some of the credits you have used at the end of the month. If you use the credit system honestly, you will have part of the packages for free!

Monthly drawing of credits:	Returned credits:
500 – 999	10
1.000 – 1.999	50
2.000 – 4.999	150
5.000 – 7.999	500
8.000 – 9.999	1.000
10.000 and more	1.300

One tax document

By using the credit system, you will receive quantity discounts and will be issued one tax document – invoice – at the beginning of the following month for the previous period.

Example of discount calculation

A company that sends national parcels via GLS with an average weight of 3 kg (dimension S) and can generate 65 parcels sent per month. The company uses GLS Pick-up points for dispatch of parcels. The company does not use additional GLS services.
